Italian innovation: opportunities and challenges

Dr. Luca Bottallo

Secretary General, Italian Chamber of Commerce and Industry, Melbourne

Dr. Bottallo will speak about new innovative developments in a range of high-tech industries in Italy and the opportunities there are for Australian business and researchers. Join us in this important networking seminar event and meet fellow researchers who share a common link and bond between Italy and Australia.

Time and date

Thursday, 23rd September at 6.30 pm

Place

CO.AS.IT, 189 Faraday Street, Carlton, Victoria
